EVOLVE HOUSTON COALITION

EVolve Houston is a coalition of sustainability-minded civic and business leaders who **want to accelerate clean transportation and zero-emissions goods movement through electrification**. Collaborating with local governments, regulators, businesses and others, our goal is to improve regional air quality and reduce greenhouse gas emissions in the Greater Houston Area.

ROAD MAP WORKSHOP

The workshop is not

- A platform for self-promotion
- The final destination

The workshop will

- Generate ideas
- Facilitate collaboration
- Guide the coalition
- Be subject to Chatham House Rule

CHATHAM HOUSE RULE

- “Participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed”
 - To encourage openness in discussion and to facilitate the sharing of information
 - To allow people to speak as individuals, not necessarily representing the views of their organizations
 - Pertains to any information disseminated after the workshop and on Social Media
-
- #EVolveHouston
